

HOME DELIVERY PROGRAM

Food delivered to your door by our volunteers!

Does your advanced age, medical condition, or physical disability prevent you from accessing our food pantry?

From Our Pantry to Your Door

If you are unable to access our food pantry due to advanced age, a medical condition or disability, and you don't have a family member, friend, or neighbor who could access the pantry on your behalf, our home delivery service might help.

Once a month, our team of friendly volunteers can deliver groceries based on your choices and unique nutritional needs.

Available only to participants in the following zip codes:

27502

27523

27539

27562
